Commonsense Safety Tips

Good for use everywhere

-  **Make them see you: wear bright colors & use lights**

Year Round in Rehoboth

Bicyclists-1, 2, 3 or 4 wheels; pedal or electric

- Delaware has a helmet law – those under 18 must wear one when on a bicycle
- No cyclists over age 12 on any sidewalk
- No bikes on any downtown sidewalk
- Lights & reflectors are required at night
- Two hands on the handlebars and no earphones...at all times

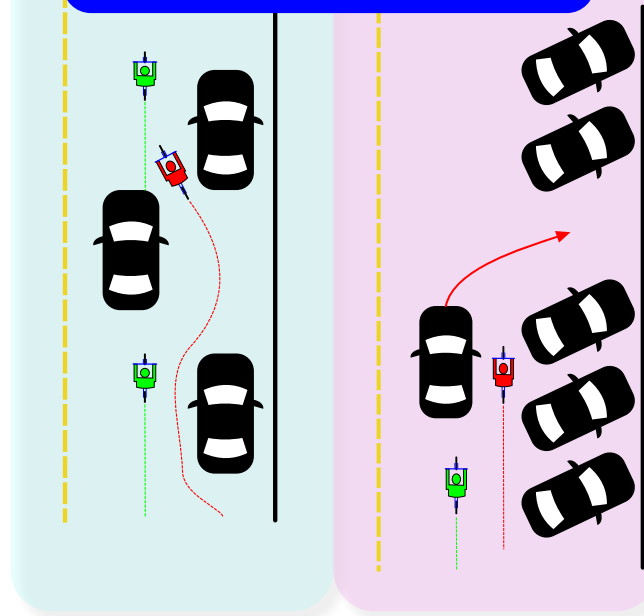

Pedestrians-joggers, walkers, strollers, etc.

- City rules require pedestrians to use sidewalks where they are available
- If no sidewalk: walk facing traffic; use lights at night
- Don't walk while distracted or unable to hear vehicles

Motorized Skateboards and Scooters (not licensed motor scooters)

- Not permitted anytime or anywhere

Tip - Parked cars and cars looking to park pose different dangers to bike riders. Ride with the flow where drivers can see you.

May 15 to September 15

- No bike riding on the Boardwalk before 5 a.m. and after 10 a.m.
- No skateboards allowed on any street or sidewalk or the Boardwalk
- No push scooters allowed on the Boardwalk or Rehoboth Avenue
- No rollerblading or roller skating on Rehoboth Avenue or the Boardwalk

Tip - Look both ways before crossing any street...drivers may be distracted.

Tip - Pedestrians must yield to all traffic when crossing the street outside of a marked crosswalk.

Tip - Don't try to pass cars on the right at intersections

Tip - Instead of making cars stop for you to cross the street let them pass: it keeps you safer.

Tip - Park bicycles in bike racks. Parking bikes elsewhere on public sidewalks or roads is prohibited.

Tip - Wait for the walk signals when using a crosswalk.
